# Lost as Anyone

## SHEL

What does this fool know anyway
No crystal ball behind the words I say
I'm as lost as anybody
I'm as lost as anyoneLate at night I dream my way out
Wake up and think my way back down
I'm as lost as anybody
I'm as lost as anyoneHiding from my shadow
I lost my light along the way
I'm as gone as anybody
I'm as gone as anyoneLate at night I bring my love down
Trying to find another way out
I'm as lost as anybody
I'm as lost as anyone
What does this fool know anyway?
There are no rules to cure my pain
I'm as lost as anybody
I'm as lost as anyone
