Everyday

Dios Malos

Everyday
Grown-ups run away from what they say
People moan
When they haven't grown
When they're left alone
When they should've known

I feel good
Like I know I should
It holds me down
Settle down
Spin me all around
This sound is mine
It blows my mind
It blows my mind

I can't move
I don't think I'm rude
I just don't care
I know you
You think you know me too
Like I know you do
I think I should too
Everyday every night
I wanna feel alright
Everyday of my life
Don't want to have to cry
Won't try
Won't try
So I'll die
Here with you
