

Haunting At 1300 McKinley

The Black Angels

I don't stay after six
Oh no, it's way too dark
"You're frightened," she said
"No one can hear us at all" There was this thought I was sane
Until I met that red dame "Don't be worried"
Is all she said
"Oh baby, you whine
Yeah, you cry all the time" The bedspread is green
You talk, dress and think
We leave before it gets dark
Walk steady with you in arms
So don't be around me
Yeah, I'm gone you see "In the night I roam
Hey, hey, hey"
I guess I'll pack my things "In the night I roam
Hey, hey, hey"
"In the night I roam
Hey, hey, hey"
"In the night I roam
Hey, hey, hey"
