

Temporary (Demo)

Paramore

I used to be so quick, so clever
And I used to know myself much better
Cause anyone can see that this is only permanent
Temporary, it never hurts to try And it's all a game
I know we'll stay the same
But repetition ends in failure
And every time I see it in your eyes
When repetition ends, we'll start over Now I'm a walking contradiction
So tell me what's wrong with this picture?
Cause anyone can see that this is only permanent
Temporary, so don't hurt me this time And it's all a game
I know we'll stay the same
But repetition ends in failure
And every time I see it in your eyes
When repetition ends, we'll start over So give it up, just give up
Give it up, give up
Give it up, just give up
Give it up, give up And it's all a game
I know we'll stay the same
But repetition ends in failure
And every time I see it in your eyes
When repetition ends, we'll start over
We'll start over
