At the Zoo

Ghoti Hook

Cool you jets and calm yourself
Cause we are almost there
Don't get lost those animals
Will give you quite a scare
Hold your horse or face the terror
That's in store for you
You're so dumb your doomed
No matter what you doChristian got mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Mauled at the zooNow you're it there is no use
In trying to run away
No escape and now my friend
It's time to play
Take a look around you're trapped
With no where left to run
It looks like
This story is almost doneChristian got mauled at the zoo
Christian got mauled at the zoo
Christain got mauled at the zoo
Mauled at the zooChris do you feel lucky
Do you think that your invincible
Your says come get me
And now you'd better run
Your goose is on the table
Your fate is irreversible
Can you read your label
It says eat meat have funChristian got mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Mauled at the zoo

Christian got mauled at the zoo
Christian got mauled at the zoo
Christian got mauled at the zoo
Mauled at the zoo
