

# Ring for Sale

## Kellie Pickler

Well he went down to the jewelry store and he signed his life away  
I said yes and just like that he went from boyfriend to fiance'  
Well I found out he been running around with a low class Jezebel  
Now he's got a monthly payment and I got a ring for saleI got a ring for sale  
It's yellow gold with a princess diamond  
I got a ring for sale  
And I'm gonna let it go real cheapI got a ring for sale  
A blue box with the velvet on and  
I gotta get out fore he finds out  
And I'll throw in the dress for freeWell I thought about taking the highway and I thought about giving it back  
And then I thought about all of them lowdown things that he's been doing behind my back  
Now he can stop by and apologize if he thinks that's gonna help  
But he's got another thing coming 'cause I got a ring for saleI got a ring for sale  
It's yellow gold with a princess diamond  
I got a ring for sale  
And I'm gonna let it go real cheapI got a ring for sale  
A blue box with the velvet on and  
I gotta get out fore he finds out  
And I'll throw in the dress for freeWell I'll burn the invitations, return the decorations  
Took the hold off the Baptist church  
I love to hit him so I'm gonna hit him  
And I'll hit him right where it hurts  
I'm gonna hit him right where it hurtsI got a ring for sale  
It's yellow gold with a princess diamond  
I got a ring for sale  
And I'm gonna let it go real cheapI got a ring for sale  
A blue box with the velvet on and  
I gotta get out fore he finds out  
And I'll throw in the dress for freeI gotta get out fore he finds out  
And I'll throw in the dress for freeI got a ring for sale
