

# Bone China

## Mother Love Bone

In the morning  
She gone crazy  
With a painted picture  
Her father's story Bone China  
My friends  
Bone China  
Let the summer come again I said oh, oh, she be dancing by the moonlit sky  
I'm talkin' to you  
Oh, oh, she be drinking all my early times  
Oh, oh, she be movin' like a butterfly I'm just waiting on that dream  
Because the fast ones always ride for free Ugly morning  
She's a Jezebel's daughter  
She's like a Brunnhilda  
A child of the water Bone China  
My friends  
Bone China  
Let the summer come again I said oh, oh, she be dancing by the moonlit sky  
I'm talkin' to her  
Oh, oh, she be movin' like a butterfly, sting like a bee  
Oh, oh, she be shaking like a girl from shine  
Oh, oh, she be moving like a  
She be moving like a, highfalutin like a I'm just waiting on that dream  
'Cause the fast ones, always ride for free  
I'm just waiting on that dream  
'Cause the fast ones, the fast ones always ride for free
