

Blaming Something

Jamie Lidell

I tried blaming Berlin for my loneliness
I tried blaming New York for my loneliness
Blaming this house, for my lack of passion
Blaming this town for my backward fashion(bridge)
The same mistake, that I'll make, that I'll make
The same mistake, that I'll make, that I'll make
Always blaming something, always blaming something
Going on and on and on and on and on(chorus)
And it all comes back to me
And it's time I should be taking
Responsibility, for the choices that I'm making
There's always a price to pay
For all that runnin' away
And I don't wanna be a victim no more I tried blaming the rain
But those cold memories
I tried blaming the sky, 'cos I fall back down
I tried blaming in the stars for blinding my eyes
Should try blaming the sun, as I burn, burn, burn!
Oh....daddy, you're the one to blame(bridge)
The same mistake, that I'll make, that I'll make
The same mistake, that I'll make, that I'll make
Always blaming something, always blaming something
Going on and on and on and on and on(chorus)(bridge 2)
Tried blaming money, for making me hungry
Tried blaming the road.....oh, the temptation
Tried blaming my train, for pulling out of the station
Tried blaming my clothes, for making me cold..
...Daddy....
You're the one to blame(chorus x 2) Always blaming something, blaming something, blaming something,
blaming something!
(Blaming something)
Always blaming something, always blaming something
Always blaming something, always blaming something.
Always blaming something, blaming something, blaming something, blaming something!
