

# Whatever Bitch

MÃ<sup>1</sup>/<sub>2</sub>a

You better work, you better work  
You better work, you better work  
Uh, uh, no, she didn't  
Yes, she did  
Rich bitch, uh  
Rich bitch, I hate you  
Rich bitch, uh  
They call me  
Rich bitch, uh  
Rich bitch, I hate you  
Rich bitch, no  
Yes, she did  
You callin' me a hoe  
'Cause I'm tryin' to get my freak on  
But bitch, we're in a club  
What the hell do you expect? Bitch, damn  
I've worked so freakin' hard  
To let a hater bring me down, down, down, down, down  
We ain't sweatin' you  
What goes around comes back around  
You see me in the club  
Rollin' your eyes  
(Whatever bitch)  
'Cuz chick's like you get's no love  
(Whatever)  
Hatin' on me and snappin' yo neck  
(Whatever bitch)  
To all my girls in the east, to all my girls in the west, say  
(Whatever bitch)  
You see us in the club  
Rollin' your eyes  
(Whatever bitch)  
'Cuz chick's like you get's no love  
(No she didn't)  
(Whatever)  
She called me a hoe, you wanna get checked?  
(No she didn't)  
(Whatever bitch)  
To all my girls in the east, to all my girls in the west

(No she didn't)  
(Whatever bitch)  
I'm gonna dance, I'm gonna dance  
(Dance, dance, dance, dance)  
I'm gonna work, work it all night long  
(Work, work, work, work)  
Don't give a damn, bring on the boys  
(Boys, boys, boys, boys)  
We can keep the party goin' till the break of dawn  
You see me in the club  
Rollin' your eyes  
(Whatever chick)  
'Cuz chick's like you get's no love  
(No she didn't)  
(Whatever)  
Hatin' on me and snappin' yo' neck  
(No she didn't)  
(Whatever bitch)  
To all my girls in the east, to all my girls in the west  
(Whatever bitch)  
(No she didn't)  
(Whatever bitch)  
(Whatever)  
She called me a hoe, you wanna get checked?  
(Whatever bitch)  
To all my girls in the east, to all my girls in the west, say  
(Whatever bitch)  
It's almost time to go  
And your eyes are steady cut in  
And I'm still on the floor  
Yo, what the hell did you expect?  
(What the hell did you expect?)  
Been dancin' all night long  
(All night long)  
DJ's spinnin' my favorite song  
(My favorite song)  
And if you stole my night  
(Then we can take this shit outside, tonight)  
(Bitch, bitch, bitch)  
You see me in the club  
Rollin' your eyes  
(Whatever bitch)  
'Cuz chick's like you get's no love  
(Whatever)  
Hatin' on me and snappin' yo neck

(Whatever bitch)  
To all my girls in the east, to all my girls in the west, say  
(Whatever bitch)  
You see us in the club  
Rollin' your eyes  
(Whatever bitch)  
'Cuz chick's like you get's no love  
(No she didn't)  
(Whatever)  
She called me a hoe, you wanna get checked?  
(Whatever bitch)  
To all my girls in the east, to all my girls in the west, say  
(Whatever bitch)  
I'm gonna dance, I'm gonna dance  
(No she didn't)  
I'm gonna work, work it all night long  
Don't give a damn, bring on the boys  
(No she didn't)  
We can keep the party going till the break of dawn  
(No she didn't)  
Till the break of dawn  
(No she didn't)  
Till the break of dawn  
(No she didn't)  
Till the break of dawn, tonight  
(Yes she did)  
Bitch, bitch, bitch  
Bitch, prince, press, shwork, bounce  
No, she didn't  
(Whatever bitch)  
Can this wait?  
Whatever  
(You better work)  
Whatever  
Whatever
