

Dangerous (Explicit Version)

Busta Rhymes

Hey, another one of them Flipmode joints
Busta Rhymes y'all, word mother y'all, check it out y'all
Just swing to the left, swing to the right
Make ya feel good, make ya feel alright
One time, feel good yeah y'all
Busta Rhymes in the place y'all
Makin you feel real good y'all
Flipmode is the Squad in the place y'all Buckwild to all of my niggaz who don't care
Floss like a bunch of young black millionaires
Makin ya run, me and my Dunn, stackin my ones
Floss a lil', invest up in a mutual fund
Blowin the horn, a sense of every day I was born
Never dream I see a nigga landscaping my lawn
Dangerous, my nigga shit be accurate
Have to get, the flow be so immaculate
Aiyyo, aiyyo, watchin my dough, sippin my Moe'
Sippin' it slow, them pretty bitches sayin hello
Anyway go 'head and diss, play your Oil of Olay
Little honeydip within a little Cariola
I don't mean to hold you up but I got somethin to say
Swear to only give you hot shit everyday
Afraid of us, you know this ain't no game to us
You strange to us, that's when we gettin dangerous, come on This, is, serious
We could make you delirious
You should have a healthy fear of us
'Cause too much of us is dangerous
So dangerous, we so dangerous
My Flipmode Squad is dangerous
So dangerous, we so dangerous
My whole entire unit is dangerous Hold your breath, we swingin it from right to left
Word to Wyclef, nigga shit be hot to death
Stayin alive, you know only the stronger survive
Holdin my heat, under my seat, whippin my five
Bassline for all of my people movin around
Give me a pound, all of my niggaz holdin it down
Cuttin you up, the new shit, ruckin you up
Fuckin you up, my black hole, suckin you up
Back in the days, a nigga used to be ass out
Now a nigga holdin several money market accounts

Blaze the street, and then I would just like to announce
 Feelin my groove, my jigga jigga makin you bounce
 Others is fair, me and my niggaz breakin the bread
 Straight gettin it, we got you niggaz holdin your head
 Afraid of us, you know this ain't no game to us
 You strange to us, that's when we gettin dangerous, come on This, is, serious
 We could make you delirious
 You should have a healthy fear of us
 Cause too much of us is dangerous
 So dangerous, we so dangerous
 My Flipmode Squad is dangerous
 So dangerous, we so dangerous
 My whole entire unit is dangerous One time y'all
 Throw your hands real high y'all
 Yea, get down y'all
 Let me see you all y'all
 Busta Rhymes, Flipmode y'all
 Nineteen ninety eight y'all
 Ha, get down ya'll
 Let's have a ball y'all Feelin the heat up in the street rockin the beat
 Step up in the club, take me to my reserved seat
 Comin around, all of my niggaz surround me
 So much bottles of liquor, y'all niggaz'll drown me
 Makin ya drunk, feelin the funk, blazin the skunk
 Stay hittin with the shit that blow a hole in ya trunk
 Afraid of us, you know this ain't no game to us
 You strange to us that's when we gettin dangerous, come on This, is, serious
 We could make you delirious
 You should have a healthy fear of us
 Cause too much of us is dangerous
 So dangerous, we so dangerous
 My Flipmode Squad is dangerous
 So dangerous, we so dangerous
 My whole entire unit is dangerous, come on
