

# Walking In The Winter

## The Coral

We went walking in the winter  
It was the coldest  
Time of yearIt's where I handed you a letter  
You turned around  
I disappearedIt said someday  
I'll find my way  
And we'll go walking  
In the winterIt's so hard to make a living  
When the world  
Is so unkind  
But it's not something  
That you're given  
It's something that  
You've got to findIt said someday  
I'll find my way  
And we'll go walking  
In the winterIt's o.k. to close your eyes  
Those silver sailing ships  
Go sailing by  
It's all your mind  
It's gonna be alright  
This time[Instrumental]Seasons change  
Into summer  
Fires burning in the dark  
I hope sometimes  
You read my letter  
And know I had to  
Play my partIt said someday  
I'll find my way  
And we'll go walking  
In the winter
