Roll Over Vic Vella

Iron Maiden

(Adapt of Roll Over Beethoven)
The Vikings are coming
You'd better get ready
For we're having a fight
The longboats are coming
It's looking like their?
In the dead of the night
Muster the men from all the villages
You'd better get ready to fight
With your enemies
Beacons are burning
I'm giving the word
To get ready to fight

The battle is nearing
You'd better get ready
To fight for your lives
The norsemen are coming
The norsemen are coming
The warnings are given
The norsemen are coming
Rapping and pillaging
Robbing and looting the land
Viking raiders from afar
