

# Snowblind

Rob Thomas

I think were snowblind  
We've had a hard time  
and we can't see where we are

Spending our whole lives  
walking the same lines  
and it doesn't seem to stop

(Verse)

well this is our life  
its all that we get  
the days are all numbered  
and the nights are all spent  
losing our focus  
we're starting to drag  
were running in circles  
and we start to feel bad  
but it don't mean that this ain't right  
we just both need a little more time

(Chorus)

i think we're snowblind  
we've had a hard time  
and we can't see where we are  
spending our whole lives  
walking the same lines  
and it doesn't seem to stop

(Verse)

He's taking my throat  
you're melting my hands  
you cause me to wonder as much as i can  
i feel it all over  
it's starting to lack  
we're spinning our wheels so much  
that it's hard to turn back

(Chorus)

Oh, but when the night falls down on this place

i will be the one to hold you  
when the tears run down your face

(Chorus 2X)

I think were snowblind  
we've had a hard time  
we're snowblind  
we're snowblind
