Hide U (Luke Fair Mix)

Kosheen

If you were in my heart I'd surely not break you
If you were beside me and my love would take you
I'll keep you in safety forever protect you
I'll hide you away from the world you rejected
I'll hide you
I'll hide youI'll hide you away from danger
Bother you night and day
Protect you been no stranger,
Baby send your love my way
Hide you away from danger
Bother you night and day
I'll protect you been no stranger (hide you)
Oh come my way (hide you)
My way (hide you)
My way (hide you)
Hide you
Hide you
Hide you
Hide you(Everything, everything)If you were in my heart I'd surely not break you
If you were beside me and my love would take you
I'll keep you in safety forever protect you
I'll hide you away from the world you rejected
I'll hide you
I'll hide you
