

Kill Me (And Make It Quick)

Amelie

Advisory - the following lyrics contain explicit language:

I heard your sound
i caught your rhythm
knock me on the ground
flipping me upside down
but i'll find a way somehow 'cause i know your name
and i got your number
we could spark a flame
we could say it all out loud
so don't it make you wonder nowoh, something, something leads to nothing
nothing brings us down, down
but can we turn it around,
turn it around, ehi think i'm gonna be sick
i can't keep doing this
kill me and make it quicki think it's all going well
i'm falling under your spell
i'm walking right throught heli dream about your love
and drowning in your blue eyesall i really know
is you shot me with a surprise smile
i'm just dying in the mean whileeverybody says it's easy if you let go
i don't really care if i'm playing like i'm too close now
you were lost so you could be foundoh, something, something leads to nothing
nothing brings us down, down
but can we turn it around,
turn it around, ehi think i'm gonna be sick
i can't keep doing this
kill me and make it quicki think it's all going well
i'm falling under your spell
i'm walking right throught hellif everything's gonna fall apart
i need the key so i can get back into your heart
i'd be in heaven for a day
but everything you do just makes sayi think i'm gonna be sick
i can't keep doing this

kill me and make it quicki think it's all going well
i'm falling under your spell
i'm walking right throught hell
