

# Love Is Dead

## Tokio Hotel

I hold your letter in my frozen hand  
The last line was long, as long as it burns  
My look carries on With every word another feeling dies  
Im left here in the dark, no memories of you  
I close my eyes, its killing me We die when love is dead, its killing me  
We lost a dream we never had  
The world in silence should forever feel alone  
Cause we are gone and we will never overcome, its over now Vultures are waiting for whats left of us  
What can we take? It all has no worth  
If we lose our trust Theyre coming closer, want you and me  
I can feel their claws, let me go now  
Try to break free, its killing me We die when love is dead, its killing me  
We lost a dream we never had  
The world in silence should forever feel alone  
Cause we are gone and we will never overcome Its over now, now, now  
Its over now, now, now  
Its over now, its over now  
Its over now Vultures are waiting for whats left of us  
Taking the last of you and the last of me, its killing me We die when love is dead, its killing me  
We lost a dream we never had  
The world in silence should forever feel alone, no  
Cause we are gone and we will never overcome Its over now, now, now  
Its over now, now, now  
Its over now, its over now
