

# Wordy Rappinghood (Album Version)

## Tom Tom Club

What are words worth?  
What are words worth? WordsWords in papers, words in books  
    Words on TV, words for crooks  
    Words of comfort, words of peace  
    Words to make the fighting cease  
        Words to tell you what to do  
        Words are working hard for you  
    Eat your words but don't go hungry  
    Words have always nearly hung meWhat are words worth?  
What are words worth? WordsWords of nuance, words of skill  
    And words of romance are a thrill  
    Words are stupid, words are fun  
    Words can put you on the runmots press?X, mots sens?X,  
        mots qui disent la vÃ¢it?mots maudits, mots mentis,  
        mots qui manquent le fruit d'espritWhat are words worth?  
What are words worth? - wordsIts a rap race, with a fast pace  
    Concrete words, abstract words  
    Crazy words and lying words  
    Hazy words and dying words  
    Words of faith and tell me straight  
        Rare words and swear words  
    Good words and bad wordsWhat are words worth?  
What are words worth? - wordsWords can make you pay and pay  
    Four-letter words I cannot say  
        Panty, toilet, dirty devil  
    Words are trouble, words are subtle  
        Words of anger, words of hate  
        Words over here, words out there  
            In the air and everywhere  
        Words of wisdom, words of strife  
        Words that write the book I like  
        Words won't find no right solution  
            To the planet earth's pollution  
        Say the right word, make a million  
            Words are like a certain person  
            Who can't say what they mean  
                Don't mean what they say  
    With a rap rap here and a rap rap there  
        Here a rap, there a rap

Everywhere a rap rapRap it up for the common good  
Let us enlist the neighbourhood  
It's okay, I've overstood  
This is a wordy rappinghood, okay, bye.What are words worth?  
What are words worth? - wordsWhat are words worth?  
What are words worth? - wordsHe'll stop ... Don't stop ... Stop.
