

We're Here For A Good Time

Terri Clark

A very good friend of mine
Told me something the other day
I'd like to pass it on to you
'Cause I believe what he said to be true
He said we're here for a good time
Not a long time
(Not a long time)
So have a good time
The sun can't shine everyday
And the sun is shining in this rainy city
And the sun is shining, ooh, isn't a pity?
That every year has its share of tears
Every now and then it's gotta rain
We're here for a good time
Not a long time
So have a good time
The sun can't shine every day
Woo
And the sun is shining in this rainy city
And the sun is shining, ooh, isn't a pity?
That every year has its share of tears
Every now and then it's gotta rain
We're here for a good time
Not a long time
So have a good time
The sun can't shine everyday
We're here for a good time
(Here for a good time)
Not a long time
(Not a long time)
So have a good time
(Time)
The sun can't shine everyday
(Sun can't shine everyday)
So have a good time
The sun can't shine everyday
