

# Baby Jump (Re-Recorded)

Mungo Jerry

She wears those micromini dresses  
Hair hanging down her back  
She wears those seethrough sweaters  
She likes to wear her stocking black  
And if I see her tonight  
You can bet your life I'll attack.  
She got beautiful teeth  
A toothpaste adman's dream.  
She got a beautiful form  
The best I've ever seen.  
I' gonna get her tonight  
I don't care where she been.

Well

I said baby  
BabyBaby what you doin' to me.  
I said baby  
BabyBaby what you doin' to me.  
I said baby  
BabyBaby jump into my dream.  
I dream that she was Lady Chatterley'n  
I was the game keeper.  
I dream that I was Da Vinci and  
She was the Mona Lisa.  
I dream that I was Humbert and  
She was Lolita.  
I said baby  
BabyBaby what you doin' to me.  
I said baby  
BabyBaby what you doin to me.  
I said baby  
BabyBaby jump into my dream.
