

She Wants a Cowboy

Dustin Lynch

Fancy ties, pinstripe suits
Gold cuff links, Italian shoes
But she likes boots, she wants a cowboy
New York City, a Soho flat
Wall Street clean, cut hair slicked back
But she likes hats, she wants a cowboy Riding with him in the wide open
The Cheyenne wind, no fences can hold 'em
Ropin' her dreams, Texas and smoke in his voice
She wants a cowboy Motorcycles, turbo Porsches
Sailboats, Rolls Royces
But she likes horses, she wants a cowboy Riding with him in the wide open
The Cheyenne wind, no fences can hold 'em
Ropin' her dreams, Texas and smoke in his voice
She wants a cowboy Riding with him in the wide open
Cheyenne wind, no fences can hold us
Ropin' her dreams, lucky for me I was her choice
She wants a cowboy
She wants a cowboy
