

You Must Be Crazy

[John Mayall](#)

You must be crazy woman
If you don't believe that I love you
When you cry and get unhappy
You don't know how it hurts me too With a little understanding
We'll get to know each other's ways
With a little bit of patience
We'd never have unhappy days I love your lovemaking
Never knew it could be such a game
If you ever left me lonely
I know I'd never be the same You must be going crazy
If you don't believe that I'm with you
If I had to live without you
I don't know what I'd ever do
