

# See the Changes

## Crosby, Stills & Nash

She has seen me changing  
It ain't easy rearranging  
And it gets harder as you get older  
Farther away as you get closer  
And I don't know the answer  
Does it even matter?  
I'm wonderin' how Ten years singing right out loud  
I never looked was anybody listening  
Then I fell out of a cloud  
Hit the ground and noticed something missing Now I have someone  
She has seen me changing  
And it gets harder as you get older  
Farther away as you get closer  
And I don't know the answer  
Does it even matter?  
I'm wonderin' how Seems like something out of a dream  
I had years ago, yes I remember screaming  
Nobody laughing, all the good times  
Getting harder to come by without weeping Now I have someone  
She has seen me changing  
And it gets harder as you get older  
Farther away
