The Allnighter

Ian Pooley

Lonely girl, rainy night
Lookin' for that number
She needs someone to treat her rightThere's plenty of men she could call
But she wants him most of all
Oh God, I hope he's home tonightShe needs a love from a real exciter
She needs the allnighter, the allnighterHe's the one, the one she calls
When she gets that feeling
Some nights she just can't stop herselfHe's tough and tender, a soul bender
Ain't no service he can't render
He touches her like nobody elseHe brings out the love, love
Love deep inside her, he's the allnighterNow when all the stimulation
Let's you down, down, down
And there ain't no medication
Layin' around, 'round, 'roundYou feel your little heart
Begin to pound and pound
He's a satisfier of that one desireOther guys come and go
They may try but they don't know
Every girl needs special careOh, he's so bad, he's so good
He makes it feel just the way it should
Nobody else can take her thereHe's the real thing, the pure delighter
He's the allnighter, the allnighterIt's getting lighter
There goes the allnighter
