Swallowed

Alexz Johnson

Oh my darling, can we find a way out
Oh my darling, am I being followed
Oh my darling, can we ask to stay out
Oh my darling, are we being swallowedOh my darling, can we find a way out
Oh my darling, am I being followed
Oh my darling, can we ask to stay out
Oh my darling, are we being swallowedHey now, whoa no, dont want to let it go
Tell me now baby now am I being swallowed
Tell me now baby now am I being swallowed
Hang on, relax, dont want to hold you back
Tell me now baby now am I being swallowed
Tell me now baby now am I being swallowedTell me now baby now am I being swallowed x2Oh my darling, have they all been lying
Oh my baby, whats the use in trying
Oh my darling, tell me am I moving
Oh my baby, tell me am I groovingOh my darling, can you ask to see me
Oh my baby, can you see theyre leaving
On a train hiding in the fuzz
Living lonely little less is firstHey now, whoa no, dont want to let it go
Tell me now baby now am I being swallowed
Tell me now baby now am I being swallowed
Hang on, relax, dont want to hold you back
Tell me now baby now am I being swallowed
Tell me now baby now am I being swallowedI go wont find me lonely
I grow a love in my hands
I hold on for my glory
Can you swallow me up againI go wont find me lonely
I grow a love in my hands
I hold on for my glory
Can you swallow me up againHey now, whoa no, dont want to let it go
Tell me now baby now am I being swallowed
Tell me now baby now am I being swallowed
Hang on, relax, dont want to hold you back
Tell me now baby now am I being swallowed x4
