Topsy Turvy

Family Force 5

Maybe I'm crazy, what did I fall into?
Lookin' for a key to a door that I can't get through.
Just maybe, I'm crazy.
Don't you know, don't you know I'm going under,
Just maybe, in a world of wonder - wonder!Topsy (topsy) turvy (turvy)
Wake me (wake me)
I've had enough
Topsy (topsy) turvy (turvy)
Don't know (don't know)
Which way is up or down
Tears on the ground
Whatever I'm dreaming of
Topsy (topsy) turvy (turvy)
Wake me (wake me)
I've had enoughTalkin' to myself,
What do I have to lose?
Wish upon a star,
It fell so far from the truth
Just maybe, I'm crazy
Don't you know, don't you know I'm going under
Just maybe, in a world of wonder - wonder!Topsy (topsy) turvy (turvy)
Wake me (wake me)
I've had enough
Topsy (topsy) turvy (turvy)
Don't know (don't know)
Which way is up or down
Tears on the ground
Whatever I'm dreaming of
Topsy (topsy) turvy (turvy)
Wake me (wake me)
I've had enoughI've lost my way
Hey! I want to come home
Someone take me away
Hey! I'm coming homeTopsy turvy
Wake me
I've had enough
Topsy (topsy) turvy (turvy)
Wake me (wake me)
I've had enoughTopsy (topsy) turvy (turvy)

Wake me (wake me)
I've had enough
Topsy (topsy) turvy (turvy)
Don't know (don't know)
Which way is up or down
Tears on the ground
Whatever I'm dreamin' of
Topsy (topsy) turvy (turvy)
Wake me (wake me)
I've had enough
