At the Cross [Reprise Extended Version]

Pocket Full Of Rocks

Dark was the stain of my sin
Evermore guilty within
Searching for rescue when none could be found
Until from that hill I heard the soundA mercy that triumphs over judgment
Of grace so bounty, greater than my sinAt the cross, at the cross
Where there's room for me
At the cross, at the cross
I am finally freeAt the cross, at the cross
Burdens thrown away
At the crossOh, what a glorious plan
God reaching down to fallen men
To all of us broken, lost and undone
Here now as heaven bids us comeAnd find mercy that triumphs over judgment
Find grace so bounty, greater than my sinAt the cross, at the cross
Where there's room for me
At the cross, at the cross
I am finally freeAt the cross, at the cross
Burdens thrown away
At the crossSuch beauty through tragedy
You're giving Your life for me, oh Lord
[Incomprehensible]
The force that You redeemed?We sing Hallelujah, Hallelujah
Hallelujah to our KingAt the cross, at the cross
Where there's room for me
At the cross, at the cross
I am finally freeAt the cross, at the cross
Burdens thrown away
At the cross, at the cross
Only here at the cross
I'm finally free, finally free
