Long Way Home

Justin Burke

I'll give in to you
my whole heart is yours
to capture your moments
I'd give the world
'cause life moves so fast
so let's just go slow
I'll take you for a ride
and promise that I'll take the long way home

Fading in and out of it
trying to find my focus
I've got you always on my mind
Favourite way to waste the time
Have I fallen in a daze?
Take me to a better place
Far away from all the pain
I can feel your heart beating

Here I am
alone with you
I know the hurt
that you've been through
We've got our scars
but love forgives
so I will commit

I'll give in to you
my whole heart is yours
to capture your moments
I'd give the world
'cause life moves so fast
so let's just go slow
I'll take you for a ride
and promise that we'll take the long way home

I had a fear of losing you
I'm not sure I'd know what to do
I'm writing to a different rhyme
'cause lasting love it has no time

Trow away
your alarm
talk until
we see the sun
Why don't we
just slow it down
and make this love count

I'll give in to you
my whole heart is yours
to capture your moments
I'd give the world
'cause life moves so fast
so let's just go slow
I'll take you for a ride
and promise that we'll take the long way home

ooh ooh ooh
ooh ooh ooh

promise that we'll take the long way home
