

Holy One

Bishop Andrew Merritt & The Straight Gate Mass Cho

Holy One

From the birth of the trees

To the start of you and me

He's proven there's no limit

To possibility

There's safety, healings, and breakthroughs in Thee

Holy One You are, Holy One to me.

Able One

From the birth of the trees

To the start of you and me

He's proven there's no limit

To possibility

There's safety, healings, and breakthroughs in Thee

Holy One You are, Holy One to me. (repeat and end)
