

Test Me

The xx

I don't know where I went wrong
Tell me, should I see someone?
Ceiling's falling down on me
You look but you never see Just take it out on me
It's easier than saying what you mean
Test me, see if I break
Tell me this time you've changed
I'll take it out on you
It's easier than talking it through
Test me, see if I stay
How could I walk the other way?
