

Make Me Like You

Gwen Stefani

I was fine before I met you.
I was broken but fine.
I was lost and uncertain.
But my heart was not mine.
I was free before I met you.
I was broken but free.
All alone in a clear view,
but now you are all I see. Hey, Wait a minute.
No you can't do this to me .
Wait a minute.
No that's not fair.
Hey, a wait a minute.
You're a la-la-la-luxury
I really like it but I'm so scare. Why you have to go and make me like you?
Yeah this is a feeling I'm not used to.
Why you have to go and make me like you?
I'm so mad at you, 'cuz now you got me missing you.
'Cuz now you got me missing you. Something I could get used to.
I could get used to this.
It's getting harder to leave it.
Your lips on my lips.
Oh I can't believe it.
How good it could be.
They don't wanna believe it, but now you're all I see. Hey, Wait a minute.
No you can't do this to me.
Wait a minute.
No that's not fair.
Hey, wait a minute.
You're a la-la-la-luxury.
I really like it but I'm so scared. Why you have to go and make me like you?
Yeah this is a feeling I'm not used to.
Why you have to go and make me like you?
I'm so mad at you, 'cuz now you got me missing you. Why you have to go and make me like you?
Yeah this is a feeling I'm not used to.
Why you have to go and make me like you?
I'm so mad at you, 'cuz now you got me missing you.
'Cuz now you got me missing you. Oh God! Thank God that I found you.
Oh God! 'Cuz now you got me missing you.
Oh God! Thank God that I found you.

I'm so mad at you 'cuz now you got me missing you.Thank God...

Thank God that I found you...

Oh..

Now you got me missing you.Why you have to go and make me like you?

Yeah this is a feeling I'm not used to.

Why you have to go and make me like you?

I'm so mad at you, 'cuz now you got me missing you.

'Cuz now you got me missing you.Why you have to go and make me like you?

Yeah this is a feeling I'm not used to.

Why you have to go and make me like you?

I'm so mad at you, 'cuz now you got me missing you.

'Cuz now you got me missing you.Oh God! Thank God that I found you.

Oh God! 'Cuz now you got me missing you.

Oh God! Thank God that I found you.

Oh God! 'Cuz now you got me missing you...
