

All I Want Is You

Justin Bieber

Sittin' here
All alone, watchin' the snow fall
Lookin' back
At the days, when we through them snowballs
I can't believe, Im putting the tree up by myself
I need you, and nobody else
And Im sorry, if I pushed you away
Cause i need you here and I want for you to know (oh)
And I dont care
If I dont get anything all I need is you here right now
And Im sorry
If I hurt you
But I know that all I want is you (this christmas x3)
All I want is you (this christmas x3)
All I want is you this christmas
And I never wanna do this alone
Baby I just need you to be here
Here through the holidays (yeah)
I just wanna know If you feel the same way
Cause Im lonely baby
Want you to hold me baby
And Im sorry, If I pushed you away
I just want you know I miss you

And I want you to stay
And I dont care
If I dont get anything all I need is you here right now
And Im sorry
If I hurt you
But I know that all I want is you (this christmas x3)
All I want is you (this christmas x3)
All I want is you this christmas
Wrapping gifts without you babe
It's like mid December and there's no cold
I can't do this on my own
I've changed my ways
Keep running back and forth again
I'm here to stay (yeah)
And I dont care

If I dont get anything all I need is you here right now
And Im sorry
If I hurt you
But I know that all I want is you (this christmas x3)
All I want is you (this christmas x3)
All I want is you this christmas
All I want is you this christmas
All I want is you this christmas
