

# Sleep With Me

## Mortal Boy

Hey there hey, hey someday  
Can I wake up with you  
Hey there hey, don't delay  
That's the last thing you should do  
Won't you take my remedy  
I got cheap words and wine  
Have a drink say anything  
And I'll sing you a lullaby  
So baby are you in or are you out now  
Tell me if you're lonely in this crowd  
I am paying overtime  
And you're the only game in town  
Baby sleep with me  
You got my heartbeat beating tonight  
Sleep with me  
Will I see you when I open my eyes  
Baby sleep with me  
So wake up here in my arms  
Sleep with me  
I want you to want no one else  
Other than me  
Hey there hey, don't hesitate  
I've been waiting too long  
Hey there hey, believe in me  
Cause all your friends are wrong

So baby are you in or are you out now  
Tell me if you're lonely in this crowd  
I am paying overtime  
And you're the only game in town  
Sleep with me  
You got my heartbeat beating tonight  
Sleep with me  
Will I see you when I open my eyes  
Baby sleep with me  
So wake up here in my arms  
Sleep with me  
I want you to want no one else  
Other than me

Do you even know  
How you light the room  
I was blinded but now I see  
The only thing I want is you and me  
Sleep with me  
You got my heartbeat beating tonight  
Sleep with me  
Will I see you when I open my eyes  
Baby sleep with me  
So wake up here in my arms  
Sleep with me  
I want you to want no one else  
Other than me
