

# Just a Man

James Kennedy

Oh baby, I'm a mess  
And i just can't pretend anymore  
Oh baby, I'm sorry  
'Cos I'm just not what you've been waiting for I really tried to climb so high  
But I've let you down  
And this is all that's left So can you still love me if I'm just a man  
Do you still want me now you know that's all I am  
I know I didn't always get it right  
But I never did you wrong  
I'm just a man but I'm all yours  
Oh baby, I'm broken  
I'm just as scared as you and I don't know the answers  
But oh baby, you know I love you  
And I always did the best I could I know that life can be so unfair  
And the battle's never won  
But I wanna fight it with you So can you still love me if I'm just a man  
Do you still want me now you know that's all I am  
I know I didn't always get it right  
But I never did you wrong  
I'm just a man but I'm all yours There's a relief that comes from failure  
And just watching it all crash down  
Now I'm naked among the ruins  
And all that's left is all I really need  
Can you still love me if I'm just a man  
Do you still want me now you know that's all I am  
'Cos I wont always get it right  
But I will never do you wrong  
I'm just a man, I'm just a man  
I'm just a man but I'm all yours
