This Woman's Work

Greg Laswell

Pray God you can cope
I stand outside this woman's work
This woman's world
Ooh, it's hard on the man
Now his part is over
Now starts the craft of the Father
I know you have a little life in you yet
I know you have a lot of strength left
I know you have a little life in you yet
I know you have a lot of strength left
I should be crying
But I just can't let it show
I should be hoping
But I can't stop thinking
Of all the things I should've said that I never said
All the things we should've done that we never did
All the things I should've given but I didn't
Oh darling make it go, make it go away

Give me these moments back
Give them back to me
Give me that little kiss
Give me your hand
I know you have a little life in you yet
I know you have a lot of strength left
I know you have a little life in you yet
I know you have a lot of strength left
I should be crying
But I just can't let it show
I should be hoping
But I can't stop thinking
Of all the things we should've said that were never said
All the things we should've done that we never did
All the things that you needed from me
All the things that you wanted for me
All the things that I should've given, but I didn't
Oh darling make it go away, just make it go away now
