

# Section 16 (One Man Show)

## The Polyphonic Spree

She said goodnight to all the lights that made her seem to glow  
Her hair parades for him to stay but he decides to go  
He makes his way in subtle plays, some times he says, hello  
It takes him days to move her way, she knows it's time to go 'Cause time doesn't go along the way now  
She sits right down to find the one man show  
It's a beautiful day, it's time to leave, somebody The house is bold and so much colder than nights they'd ever  
know  
She bends her knees and tries to scream and says it's time to go  
She moves her lips her words are gifts he stares as she lets go  
And trades a space for her new place in a world she wants to know 'Cause time doesn't go along the way now  
She sits right down  
'Cause time doesn't go along the way now  
She sits right down to find the one man show  
It's a beautiful day, it's time to leave somebody It means a lot to find it so easy  
It takes a lot to find yourself way down  
It means a lot to find it so easy  
And it takes a lot to find yourself way down Easy  
Takes a lot to find yourself way down  
Means a lot to find it so easy  
Takes a lot to find yourself way down
