

Calypso

Spiderbait

Sunshine
On my window
Makes me happy
Like I should be Outside
All around me
Really sleazy
Then it hits me Don't tell me
You can't see
What it means to me
Me, me Meanwhile
In the moonlight
Purple people
Unforeseeable Lonely
As they may be
They'll be peachy
Then it hits me Don't tell me
You can't see
What it means to me
Me, me, me Sunshine
On my window
Makes me happy
Like I should be Outside
All around me
Really sleazy
Then it hits me Don't tell me
You can't see
What it means to me
Me, me Don't tell me
You can't see
What it means to me
Me, me, me
