

Rose to Love (Acoustic)

[Shakhan](#)

I've been a loner riding on the plains for too long sat by many fires but sang the same song
I've seen the whirling wind, dust turn to a spiral staircase in the sky to say I want to be alone would be a lie.
I'm yearning I'm a turning to Rose to love. I've been sitting next to this flaming fire for too long. Thinking that
to live all alone is so wrong.

Life it is so very short there it goes a shooting star falls through the sky.
Just like that spark jumps to the ground flickers then just dies. I'm yearning to Rose to love.
