

You've Got to Move

[Aaron Neville](#)

You've got to move
You've got to move
You've got to move
You've got to move When the Lord gets ready
Get ready for you
You've got to move, oh yeah
You've got to move You maybe high
You maybe low
You maybe rich
Yeah, you maybe poor But when the Lord gets ready
Ready for you
You've got to move, yeah
Oh, you've got to move You maybe lame
And you cannot walk
You maybe mute
And you cannot talk But when the Lord gets ready
Gets ready for you
You've got to move, yeah
You've got to move You've got to move
You've got to move
You've got to move
You've got to move When the Lord gets ready
Gets ready for you
You've got to move, yeah, yeah
You've got to move You've got to move
You've got to move
You've got to move
You've got to move When the Lord gets ready
You've got to move
You've got to move
You've got to move
