It's Not Over Yet

The Klaxons

It's a bit hard to take
But all good things must end
Y' know it's sad but it's true
I know my heart will ache
And it will take time to mend
But it's something I've got to do
Cause I owe it all to you
(Chorus)
It's not over yet
It's a new beginning
I just gotta say I'm grateful for the time we've had
It's not over yet
It's a brand new start
All I need to say is thank you
From the bottom of my heart
I need some time alone
A little moment of silence
So I can figure out where to go
Don't know what comes and that's the beauty of tomorrow
there's so many things to find
all I need is time
It's not over yet
It's a new beginning
I just gotta say I'm grateful for the time we've had
It's not over yet

It's a brand new start
All I need to say is thank you
From the bottom of my heart
I take a long last look around
Every moment, every sound
It's all been worth fighting for
Just because we close the door
doesn't mean it's over yet

It's a new beginning
And I just gotta say I'm grateful for the time we've had
It's not over yet
It's a brand new start

I just go to say im grateful
For each and every day
It's not over yet (For each and every day)
It's a new beginning (For each and every day)
I just gotta say Im grateful for the time we've had (The time we've had)
It's not over yet
It's a new beginning (The time we've had)
All I need to say is thank you
From the bottom of my heart
From the bottom of my heart
