Home is where the heart is
Home is so remote
Home is just emotion
Sticking in my throat

Let?s go to your place
Let?s go to your place

Home is where the heart is
Home is so remote
Home is just emotion
Sticking in my throat
Home is hard to swallow
Home is like a rock
Home is good clean living
Home is - I forgot

Let?s go to your place
Let?s go to your place

Home is so suspicious
Home is close control
Home is will you miss us
Home is - I don?t know

Let?s go to your place
Let?s go to your place

Home is aggravation
Home is so much fuss
Home is mind your business
Thank you very much

Let?s go to your place
Let's go to your place

I don?t want to go back
I don?t want to go back
I don?t want to go back any more
