Home is where the heart is

Home is so remote

Home is just emotion

Sticking in my throat

Let's go to your place

Let's go to your place

Home is where the heart is

Home is so remote

Home is just emotion

Sticking in my throat

Home is hard to swallow

Home is like a rock

Home is good clean living

Home is - I forgot

Let's go to your place

Let's go to your place

Home is so suspicious

Home is close control

Home is will you miss us

Home is - I don't know

Let's go to your place

Let's go to your place

Home is aggravation

Home is so much fuss

Home is mind your business

Thank you very much

Let's go to your place

Let's go to your place

I don't want to go back

I don't want to go back

I don't want to go back any more
