Glitter

Trixy

When we make love it's hard to tell
If your dreamin' of me or someone else
That drunken kiss seems like a lie
Don't say it's forever and then say goodbyeGlitter, don't ya leave me
Please believe me, I only want your love
Glitter, you're my lover
I'll have no other girl, I only need your loveWhen mornin' comes and the sun shines bright
You're gonna need someone, someone to treat you right
So don't walk out when you wake up
Let's give it a chance girl, give it a shot, give it a shot nowGlitter, don't deceive me
Gotta believe me, I only need your love
Glitter, there's no other
You're beautiful, I only want youThis is fine for now, but maybe
Let's make a baby inside of you
It's just the time, we gotta find
I want your name on my tattoo
You blow my mind, so tell me, I wanna knowGlitter shines forever
Forever and ever, I only need your love
Glitter, lay your head down here
I'll always be so near, I only want your loveHere come the, here it comes
There goes the, there it goes
Here comes our love again through the windowThere goes the, there it goes
Here comes the, here it comes
There goes our love again out the window
