Getting Over You

Lauv

Running from the morning
Think I hit a wall
Late night, not you
Running from the moment
So I don't recall
Late nights, not youWaking up in a cold sweat
Someone else in this cold bed
I'd do anything to not be alone
All alone with the ceiling
All alone with this feeling
And I wonder if I'll ever let goI tried spending my nights under
Someone new
But the truth is
I could spend my whole life getting over you
Yeah yeah yeah
Getting over you
Getting over you
Getting over you
Getting over you
Getting over you
Getting over youDrowning in my coffee
To wash the alcohol
Out my bloodstream
Sitting here I wonder
If we hadn't been at all
Who would I beWaking up in a cold sweat
Someone else in this cold bed
And I wonder if I'll ever let go
I tried spending
My nights under
Someone new
But the truth is
I could spend my whole life getting over youYeah yeah yeah
Getting over you
Getting over you
Getting over you
Getting over you
Getting over you
Getting over youI tried spending

My nights under
Someone new
But the truth is
I could spend my whole life getting over youGetting over you
Getting over you
Getting over you
Getting over you
