

# Sunday Morning Call

## Oasis

Here's another Sunday morning call  
You hear your head a bangin' on the door  
Slip your shoes on and then out you crawl  
Into a day that couldn't give you more  
But what for? And in your head do you feel  
What you're not supposed to feel?  
And you take what you want  
But you don't get it for free You need more time  
'Cause your thoughts and words won't last forever more  
And I'm not sure if it'll ever work out right  
But it's okay, it's alright When you're lonely and you start to hear  
The little voices in your head at night  
You will only sniff away the tears  
So you can dance until the morning light  
At what price? And in your head do you feel  
What you're not supposed to feel?  
And you take what you want  
But you won't get it for free You need more time  
Because your thoughts and words won't last forever more  
And I'm not sure if it'll ever work out right  
It's okay, it's alright And in your head do you feel  
What you're not supposed to feel?  
And you take what you want  
But you won't get hope for free You need more time  
Because your thoughts and words won't last forever more  
And I'm not sure if it'll ever, ever, ever work out right  
If it'll ever, ever, ever work out right  
Will it ever, ever, ever work out right?
