

# Unlike Me

Charlie Winston

There are no guarantees in life  
Not for the present, nor for the future  
All I know is that I'm here  
Don't know for how long  
I love the way you live so intensely  
Enjoy every minute of life  
With space to swing  
Your arms around laughing loudly  
Unlike me, unlike me  
Do you think I'm strange?  
Unlike you, unlike you  
I am not pretending  
There is no time  
There is no time  
There is no time  
Time doesn't really exist  
The past, the present and the future  
Are all side by side, hand in hand  
You move and change, yet you go nowhere  
Everything stays the same  
You stare at me and ask me questions  
Makes me nervous  
This room, it keeps a constant tone  
While I'm on a roller coaster  
Unlike me, unlike me  
Do you think I'm strange?  
Unlike you, unlike you  
I am not pretending  
There is no time  
There is no time  
There is no time  
Time doesn't really exist  
There is no time  
There is no time  
There is no time  
Time doesn't really exist
