White Lies

Milo Greene

Time wonâ€™t lie
Iâ€™ve suspected this for too long
Iâ€™m done trying
To convince you Iâ€™m worth holding on

And itâ€™s not right
To keep on leading me on
Itâ€™s a shame
It seems wrong to give up on
What weâ€™ve done
Youâ€™ve wasted
What could have been
Things will never change

Donâ€™t be so surprised
Iâ€™m no longer hiding
From now on I wonâ€™t try
Iâ€™ll just be your white lie

I conform how is it
That youâ€™re never forlorn
And Iâ€™m thinking
I was not the fool here
Was I?
I was not the fool here

And itâ€™s not right
To keep on leading me on
Itâ€™s a shame
It seems wrong to give up on
What weâ€™ve done
Youâ€™ve wasted
What could have been
Things will never change

Donâ€™t be so surprised
Iâ€™m no longer hiding
From now on I wonâ€™t try
Iâ€™ll just be your white lie

It still seems wrong
To spend so long getting lost
Then I come to find out
I was such a fool
And I never saw it coming

Donâ€™t be so surprised
Iâ€™m no longer hiding
From now on I wonâ€™t try
Iâ€™ll just be your white lie

No longer hiding
No longer hiding
No longer hiding
No longer hiding
No longer hiding
No longer hiding
