Maria Maria

Ladies and gents
Turn up your sound systems
To the sound of Carlos Santana
In the GMB ghetto blues
From the refugee camps
Oh Maria, Maria
She remind me of a West Side story
Growin' up in Spanish Harlem
She livin' a life just like a movie star
Oh Maria, Maria
She fell in love in East L.A.
To the sounds of the guitar yeah yeah
Played by Carlos Santana
Stop the lootin', stop the shootin'
Pick pocking on the corner
See as the rich is getting richer
The poor is getting poorer
Se mira Maria on the corner
Thinkin' of ways to make it better
In my mailbox there's an eviction letter
Somebody just said, "See you later"
Yeah
Ahora vengo mama chola mama chola
Ahora vengo mama chola
(East Coast)
Ahora vengo mama chola mama chola
Ahora vengo mama chola
Maria, Maria
(West Coast)
She remind me of a West Side story
Growin' up in Spanish Harlem
She livin' a life just like a movie star
Oh Maria, Maria
She fell in love in East L.A.
I said it to the sounds of the guitar yeah yeah
Played by Carlos Santana
I said a la favella, los colores

The streets are getting hotter

There is no water to put out the fire
Mi canto la esperanza
Se mira Maria on the corner
Thinkin' of ways to make it better
Then I looked up in the sky
Hopin' the days of paradise
Ahora vengo mama chola mama chola
Ahora vengo mama chola
(North side)
Ahora vengo mama chola mama chola
Ahora vengo mama chola
(South side)
Ahora vengo mama chola mama chola
Ahora vengo mama chola
(Worldwide)
Ahora vengo mama chola mama chola
Ahora vengo mama chola
(Open up your eyes)
Maria you know you're my lover
When the wind blows I can feel you
Through the weather and even when we're apart
It still feels like we're together
Maria, oh yeah
She remind me of a West Side story
Growin' up in Spanish Harlem
She livin' a life just like a movie star
Oh Maria, Maria
Oh, she fell in love in East L.A.
To the sounds of the guitar
Played by Carlos Santana
Put 'em up y'all
Carlos Santana with the refugee camp
Wyclef, Jerry "Wonder"
Mr. Santana, GMB
Yo, Carlos man, you makin' that guitar cry
