

# Addicted To Love

Tabby Callaghan

The lights are on, but you're not home  
Your mind is not your own  
Your heart sweats, your body shakes  
Another kiss is what it takes

You can't sleep, you can't eat  
There's no doubt, you're in deep  
Your throat is tight, you can't breathe  
Another kiss is all you need

Whoa, you like to think that you're immune to the stuff, oh yeah  
It's closer to the truth to say you can't get enough,  
You know you're gonna have to face it, you're addicted to love

You see the signs, but you can't read  
You're running at a different speed  
Your heart beats in double time  
Another kiss and you'll be mine

A one-track mind, you can't be saved  
Oblivion is all you crave  
If there's some left for you  
You don't mind if you do

Whoa, you like to think that you're immune to the stuff, oh yeah  
It's closer to the truth to say you can't get enough,  
You know you're gonna have to face it, you're addicted to love

[Repeat: x5]

Might as well face it, you're addicted to love

Your lights are on, but you're not home  
Your will is not your own  
Your heart sweats your teeth grind  
Another kiss and you'll be mine

Whoa, you like to think that you're immune to the stuff, oh yeah  
It's closer to the truth to say you can't get enough,  
You know you're gonna have to face it, you're addicted to love

[Repeat: x8]

Might as well face it, you're addicted to love
