

# Anywhere But Here

## Drew Holcomb & The Neighbors

Is this the end of the moment  
Or just a beautiful unfolding  
Of a love that will never be?  
Or maybe be  
Everything that I never thought could happen  
Or ever come to pass and  
I wonder if maybe, maybe I could be  
All you ever dreamed  
?Cause you are beautiful inside, so lovely and I  
Can't see why I'd do anything without you, you are  
And when I'm not with you, I know that it's true  
That I'd rather be anywhere but here without you  
Anywhere but here  
Is this a natural feeling  
Or is it just me bleeding?  
All my thoughts and dreams  
In hope that you will be with me or  
Is this a moment to remember  
Or just a cold day in December?  
I wonder if maybe, oh, maybe I could be  
All you ever dreamed  
?Cause you are beautiful inside, so lovely and I  
Can't see why I'd do anything without you, you are  
And when I'm not with you, I know that it's true  
That I'd rather be anywhere but here without you  
Anywhere but here, anywhere but here  
Is this the end of the moment  
Or just a beautiful unfolding  
Of a love that will never be  
For you and me?  
?Cause you are, you're beautiful inside, you're so lovely and I  
Can't see why I'd do anything without you, you are  
And when I'm not with you, yeah, I know that it's true  
That I'd rather be anywhere but here without you  
Whoa, ooh yeah, no, no, no, no, no
