Hard Believer

First Aid Kit

So you ask for my opinion well what is there to say
To be honest and just foolish wonâ€™t make you want to stay
Youâ€™ve got to go on and get moving and I canâ€™t do that for you
Got so many plans and so much you want to do

Love is tough, time is rough
On me

Well I see youâ€™ve got your bible your delusion imagery
Well I donâ€™t need your eternity or your meaning to feel free
I just live because I love to and thatâ€™s enough you see
So donâ€™t come preach about morality thatâ€™s just human sense to me

Love is tough, time is rough
On me

And itâ€™s one life and itâ€™s this life and itâ€™s beautiful

Love is tough, time is rough
On me
